

A History Of Army Communications And Electronics At Fort Monmouth

A History Of Army Communications

The history of the British Army spans over three and a half centuries since its founding in 1660 and involves numerous European wars, colonial wars and world wars. From the late 17th century until the mid-20th century, the United Kingdom was the greatest economic and imperial power in the world, and although this dominance was principally achieved through the strength of the Royal Navy (RN ...

History of the British Army - Wikipedia

The history of the Canadian Army, began when the title first came into official use in November 1940, during the Second World War, and is still used today. Although the official titles, Mobile Command, and later Land Force Command, were used from February 1968 to August 2011, "Canadian Army" continued to be unofficially used to refer to the ground forces of the Canadian Armed Forces, much as it ...
