

## *American Period Literature*

### **American Period Literature**

American literature is literature written or produced in the United States of America and its preceding colonies (for specific discussions of poetry and theater, see Poetry of the United States and Theater in the United States). Before the founding of the United States, the British colonies on the eastern coast of the present-day United States were heavily influenced by English literature.

African-American literature is the body of literature produced in the United States by writers of African descent. It begins with the works of such late 18th-century writers as Phillis Wheatley. Before the high point of slave narratives, African-American literature was dominated by autobiographical spiritual narratives.

In the most basic sense, Romanticism, which is loosely identified as spanning the years of 1783-1830, can be distinguished from the preceding period called the Enlightenment by observing that the one elevated the role of spirit, soul, instinct, and emotion, while the other advocated a cool, detached scientific approach to most human endeavors and dilemmas. In short, Romanticism in ...
