RMS Olympic (/ ɒ ' l ɪ m p ɪ k /) was a British transatlantic crossing ocean liner, the lead ship of the White Star Line's trio of Olympic-class liners. Unlike the other ships in the class, Olympic had a long career spanning 24 years from 1911 to 1935. This included service as a troopship during the First World War, which gained her the nickname "Old Reliable".

The starboard side of most ships is usually the "senior" side, with the flag of the captain being raised on this side. On the quarterdeck, this side is generally reserved for the captain, and if the ship carries its own gangway, the officers' gangway is stored on the right as well.. On seagoing vessels, as well as aircraft, the starboard side is designated with a green light, while the port ...

Miss T Mar 14 2019 12:10 am it was a refreshing move from the typical k drama of romatic focus but it would have done with more romatic scenes for the two leads. Did not really feel any chemistry between them and that just made watching it the more boring. The episodes were okay but not captivating to want to stay up all night watching it.
