IAENG International Journal of Applied Mathematics . Objectives and Scope. IAENG International Journal of Applied Mathematics is published with both online and print versions.

IAENG International Journal of Applied Mathematics (IJAM)

Applied mathematics is the application of mathematical methods by different fields such as science, engineering, business, computer science, and industry. Thus, applied mathematics is a combination of mathematical science and specialized knowledge. The term "applied mathematics" also describes the professional specialty in which mathematicians work on practical problems by formulating and ...
