

Bachelor Degree In Mathematics

Bachelor Degree In Mathematics

A Bachelor of Mathematics is an undergraduate academic degree awarded for successfully completing a program of study in mathematics or related disciplines, such as computer science or statistics. The Bachelor of Mathematics degree is frequently abbreviated as B.Math or BMath

Bachelor of Mathematics - Wikipedia

A bachelor's degree (from Middle Latin baccalaureus) or baccalaureate (from Modern Latin baccalaureatus) is an undergraduate academic degree awarded by colleges and universities upon completion of a course of study lasting three to seven years (depending on institution and academic discipline). In some institutions and educational systems, some bachelor's degrees can only be taken as graduate ...

Bachelor's degree - Wikipedia

Liberal arts classes are required for all types of bachelor degrees. In most cases, more than half of a bachelor's degree consists of general education or liberal arts courses in areas such as English, critical thinking, psychology, history and mathematics.
