### **Bee Sting Cake Recipe**

This richly layered bee sting cake gets its name (bienenstich, in German) from a honey glaze that's applied to the dough before baking. 1. Cake: Combine milk, honey, and yeast in a liquid measuring cup, and let stand in a warm place until foamy, about 5 minutes. Combine milk mixture with flour ...

Bee Sting Cake (Bienenstich) Cobbled together from other yeasted cakes I've known and loved, much trial-and-error, and with some helpful guidance from a version translated from a German cookbook, link forthcoming (Thanks, Luisa!) This is a tender, yeasted lightly sweetened cake with a honey-almond-caramel crunch topping.

Bienenstich or Bee sting cake is a German dessert made of a sweet yeast dough with a baked-on topping of caramelized almonds and filled with a vanilla custard, Buttercream or cream.. The cake may have earned its name from its honey topping: according to one legend, a bee was attracted to it, and the baker who invented the cake was stung.

I do not know where the bee-sting comes from, but this is a very popular cake in local home industries: those little shops filled with the specialties of good home cooks. This cake takes a little time, but it is worth it: it is cut into thin layers, which is spread with a custard filling. It's a delectable cake! Prep time is a guess! Please note that the custard filling can be made ahead, even ...

Rhubarb Custard Cake. When I first flicked through The Cake Stall by The Australian Women's Weekly, I came across this recipe for Rhubarb Custard Tea Cake and was instantly reminded of the Bee-Sting Cake.. But unlike the Bee-Sting where the custard is added after the cake is baked, here, the custard layer is baked as part of the cake, producing a wonderfully layered cake straight from the oven.
