Famine in Ethiopia: policy implications of coping failure ...

The current challenge facing policy makers and research organizations is to reduce the negative effects of famine in Africa and to lay the foundations for its longer term eradication. Root causes of famine are explored to identify appropriate policies and projects for famine mitigation based on detailed field surveys conducted in 7 famine-affected areas of Ethiopia.

programmes for vulnerable groups , Geneva.

Implications of Economic Policy for Food Security : A ...

Green famine. The phenomenon was noted in Sidamo Province, Ethiopia, as early as the 1980s, when bacterial disease and poor rains caused the destruction of much of the ensete crop after farmers had to sell their crops rather than eat them in order to pay heavy taxes; in the 1990s, when after a dry spell the sorghum was growing...
