Fish pie, also known as fisherman's pie, is a traditional British dish. The pie is usually made with white, often smoked, fish (for example cod, haddock or halibut) in a white sauce or cheddar cheese sauce made using the milk the fish was poached in. Prawns and hard boiled eggs are other common additional ingredients. It is oven-baked in a deep dish but is not usually made with the shortcrust ...

Fish pie - Wikipedia

Many species of fish are consumed as food in virtually all regions around the world. Fish has been an important source of protein and other nutrients for humans throughout history. In culinary and fishery contexts, fish may include shellfish, such as molluscs, crustaceans and echinoderms. English does not distinguish between fish as an animal and the food prepared from it, as it does with pig ...

Fish as food - Wikipedia

Afield. Afield can be considered a wild game (and fish) cookbook but it is also considerably more than that. The information provided covers a range of areas, including an introduction to hunting techniques, butchery approaches and ways to prepare meat.

Information & Education - Alaska Department of Fish and Game

If the fish are small enough to fit into a wok, I crispy fry them, Asian style. But summer is for grilling. First I slice the fish several times perpendicular to the backbone — this opens the fish to heat

better, so it cooks evenly — then I coat them in olive oil and salt, then, after the fish are grilled, sauce them with an herb vinaigrette.
