The Indian in the Cupboard [DVD] [1995] A clean widescreen anamorphic transfer is on one side of the disc and it really shows off Russell Carpenter's warm camera work. The pan and scan version of the film is on the other side of the DVD but there really isn't any compelling reason to watch it other than to see how much of...

The DVD VIDEO: "Indian in the Cupboard" is presented in a 1.85:1 anamorphic transfer, with a full\_frame version available on the flip-side of the DVD. The anamorphic transfer is another very pleasant effort from Columbia/Tristar, but a few little blemishes are in the way of it being quite as exceptional as it could be.
