JR exhibits freely in the streets of the world, catching the attention of people who are not typical museum visitors. In 2006, he created Portrait of a Generation, portraits of suburban "thugs" that he posted, in huge formats, in the bourgeois districts of Paris. This illegal project became "official" when the Paris City Hall wrapped its building with JR's photos.

### **About | Inside Out Project**

In the contemporary era of progressive music, there are few bands who can claim to be as innovative, creative and restively dynamic as Haken. Since their inception in 2007, they've shown over four previous studio albums, one EP and a live release that they never stand still, merely satisfied to rely on past triumphs.

Each year, we publish a list of senior leaders from our workplaces who are open about their experience of mental ill-health. The list is designed to celebrate each leader who has decided to be open, thus playing their part in ending the stigma and helping others in their organisation speak out and seek help.

Voyage Of The Acolyte - 1975 Charisma C (Very Good / Great) Best song: Shadow Of The Hierophant. In retrospect, making a solo album at this point in time might have been a somewhat jerkish move on the part of Steve.In the wake of Peter Gabriel's departure from Genesis, the band was in a bit of an uncertain place, and one could argue that everybody in the band should have been focusing all of ...
