Launching Successful Club Programs - Without an effective launch process and strategy any new program will fail! It is important to have a formal process in place to evaluate, plan and then execute effective program launches including a detailed timeline with tasks, responsibilities and dates to ensure that a new program is successful.

The sample key Performance Indicators (KPIs) on this page are provided for educational purposes. They (KPI's) are not intended to be used 'as is' as the most effective use of a key performance Indicator (KPI) is when each indicator is closely aligned to the business strategy and the business plan of the organisation concerned. Developing key performance indicators to closely reflect ...
