

Life Behind The Pole

Life Behind The Pole

TED Talk Subtitles and Transcript: This year, explorer Ben Saunders attempted his most ambitious trek yet. He set out to complete Captain Robert Falcon Scott's failed 1912 polar expedition — a four-month, 1,800-mile round trip journey from the edge of Antarctica to the South Pole and back. In the first talk given after his adventure, just five weeks after his return, Saunders offers a raw ...

No, if you have implemented the original IOGP Life-Saving Rules without modification, then you will be keeping you and your people safe. With additional seven years of data and based on feedback from member companies, we have streamlined the original 18 down to 9 while retaining the effectiveness of fatality prevention, as well as rephrasing the Rules to be written from the workers perspective.

Biography Prior story. Very little is known about Jill's family or her life before she becomes friends with Eustace Scrubb. The only thing that is made clear is that she was bullied (like many other pupils) at her school by a group of truly mean children referred to as Them, and that, when she needed to cry, she often took refuge behind the gym, where Eustace finds her at the beginning of The ...

Up to that time only two ships had penetrated the ice beyond Cape Colbeck, which had originally been discovered during Robert Falcon Scott's 1902 DISCOVERY EXPEDITION.In 1912, Lt. Nobu Shirase sailed the KAINAN MARU to 76°07'S, 151°20'W. It was a successful trip for Byrd as they passed the easting of both prior efforts.
