How has capitalism affected our experiences of art and the media? In the third of his eight-part series on critical theorist Walter Benjamin, Andrew Robinson examines Benjamin's famous thesis that mechanical reproduction has transformed the arts, and explores what a 'political art' might look like.

This list consists of many notable people who identify as transgender. The individual listings note the subject's nationality and main occupation. In many non-Western and ancient or medieval societies, transgender people are seen as a different gender in itself, and there is a separate category for them, one that is different from the binary 'men' and 'women'. They are often described ...

The vast majority of shotguns seen in films and television are 12 gauge shotguns. Despite the existence of other gauges like 410, 16, 20, and 28 as well as the older 10 gauge and 8 gauge punt guns (and others), the shotguns most likely to be seen in a film would be the ubiquitous 12 gauge. There are ...
