Long road trips can be a blast—or they can be boring, exhausting endeavors. Here’s how, with a bit of preparation, you can make sure you survive your trip with your sanity intact.

### **How to Survive Long Road Trips Without Going Crazy**

The survival film is a film genre in which one or more characters make an effort at physical survival. It often overlaps with other film genres. It is a subgenre of the adventure film, along with swashbuckler films, war films, and safari films. Survival films are darker than most other adventure films which usually focus their storyline on a single character, usually the protagonist.

The Long Dark is a survival game set in an open world environment and played from a first-person perspective. The game takes place in the frigid Canadian wilderness where the player assumes the role of a crash-landed pilot struggling to survive after a global disaster, (a geomagnetic storm). The gameplay is stated by the developers to be a "survival simulation that accounts for body temperature ...

The best survival foods offer your diet some flexibility that is a good way to keep it from getting boring. Dried powdered milk may not be something that will keep you satisfied on its own, but it can be used to create yogurt, cheese, puddings, and bread.. Foods that have some trading value can also be used in your own recipes and as barter for when you get tired of eating out of your own stock.
