### **Mencius On The Mind Experiments**

Ken Wert @ Meant to be Happy said: I don't think anything spells love more accurately or more lastingly or more convincingly than T-I-M-E. If those we love feel like everything else comes before them, no gift will be large enough, no words will be eloquent enough and no act will be passionate enough to convince them of a love that our absence or distraction has failed to convey.

Burrhus Frederic Skinner (March 20, 1904 – August 18, 1990), commonly known as B. F. Skinner, was an American psychologist, behaviorist, author, inventor, and social philosopher. He was the Edgar Pierce Professor of Psychology at Harvard University from 1958 until his retirement in 1974.. Skinner considered free will an illusion and human action dependent on consequences of previous actions.

Mozi's moral teachings emphasized self-reflection and authenticity rather than obedience to ritual. He observed that we often learn about the world through adversity ("Embracing Scholars" in Mozi).By reflecting on one's own successes and failures, one attains true self-knowledge rather than mere conformity to ritual ("Refining Self" in Mozi).Mozi exhorted people to lead a life of asceticism ...
