interview with graphic designer neville brody | neville ...

Whilst Neville Brody was working for the Face he was interested in reflecting the content in the headlines. As Meggs in his book states, "Brody viewed the magazine as a multidimensional object existing in time and space and maintaining continuity from issue to issue." Furthermore the text inside along with the logo was

The aspiring artist: Neville Brody - Blogger

Neville Brody was born in London in 1957. He attended the London College of Printing from 1976-79 before becoming a freelance designer, mainly of record sleeves. In 1981 he became designer of The Face magazine, where his typographic experiments won international acclaim. He went on to art direct Arena, Per Lui (Italy) and Actuel (France).

Eye Magazine | Feature | Reputations: Neville Brody

Neville Brody. Neville Brody is one of the best-known and most acclaimed graphic designers of his

generation, his fame and influence stretching back over a period of more than a quarter of a century. He was first interviewed for this magazine back in 1989. As of September, Brody is to take on the one-year presidency at D&AD,...

Lürzer's Archive - Neville Brody

Neville Brody, art director of The Face, is one of its original exponents and one of the most eminently imitable figures in graphic design today. Not that style is a word he would willingly apply, regarding it as 'a superficial thing, just something you use to express ideas.
