The Force is a metaphysical and ubiquitous power in the fictional Star Wars universe. It is wielded by "Force-sensitive" characters throughout the franchise: heroes like the Jedi use the "light side" while seeking to become one with the Force, while the Sith and other villains exploit the "dark side" and have always tried to bend it towards their will. The Force has been compared to aspects of ...

According to Hesiod, Pandora was a curse on mankind as retribution after the Titan Prometheus stole fire and gave it to humans. Zeus had Hermes hammer the first human woman—Pandora—out of the earth. Hermes made her lovely as a goddess, with the gift of speech to tell lies, and the mind and nature of a treacherous dog.
