Truly inspired design ideas are hard to come by. After all, not every design concept is a winner. But if you want to make an impact with your clients, it's good to keep a few things in mind. Shari Schwartz, one of our great HOW U instructor, is an expert at client presentations. Shari is the ...

Presenting Design Ideas and Concepts to Clients

6. Summary: Master remote presentations by creating the right environment, being human, reducing distractions, taking control, and telling a story. There's nothing like being face-to-face when giving an important presentation. You naturally take cues from the others in the room: eye contact, body language, and facial expressions.

5 Strategies for Presenting UX Remotely

Welcome! I hope you are interested in setting up or sustaining a proficient-reader classroom. I had you in mind when I built this site. If you are here because you enjoyed my professional-development sessions, thank you!

The most intriguing idea that emerged in the review of talent management was the success of implementing talent management review meetings. By talking about talented employees and making their knowledge, skills, and potential known to other managers in different parts of the organization, the potential use, and development of internal talent are magnified for both the organization and the ...

The Best Talent Management Practices

Once you've gotten an invitation to interview, you've already impressed the potential employer—on paper. To present yourself well in the interview and to make a good impression, you should:

Presenting yourself in person: mastering the job interview ...

From what I can tell Lorne sausage has specific recipe instead of just a squarish/rectangular form... There are loads sausages and comparable products out there with that general shape anyway, this is just one more of many choices on the market.

Aldi come up with a "new" idea for sausage... : Scotland

Senior executives are one of the toughest crowds you'll face as a presenter. They're incredibly impatient because their schedules are jam-packed — and they have to make lots of high-stakes ...

How to Present to Senior Executives - Harvard Business Review

Representing money: use BigDecimal, int, or long (BigDecimal is the recommended default) ; the int and long forms represent pennies (or the equivalent, of course); BigDecimal is a little more inconvenient to use, but has built-in rounding modes; double or float are not recommended, since they always carry small rounding differences; the Currency class encapsulates standard identifiers for the ...
