Saving Europe: How National Politics Nearly Destroyed the Euro [Carlo Bastasin] on Amazon.com. *FREE* shipping on qualifying offers. Carlo Bastasin, an economist and journalist, reveals the unknown events that have happened behind the scenes in European capitals during the ongoing financial crisis

Saving Europe: How National Politics Nearly Destroyed the ...

Saving Europe is also a rigorous attempt to make larger sense of what has happened in the euro zone and what might happen next. Given the central importance of Europe within the fragile world economy as well as growing speculation that the euro might disappear, this is essential reading for anyone trying to grasp international economics and politics.

Saving Europe: How National Politics Nearly Destroyed the ...

Saving Europe reveals how the nexus of international economics and national politics pushed monetary union to the brink of extinction, how that disastrous development was avoided, and why the long ...

Saving Europe is the definitive book about the financial crisis—and the history as well as the future of Europe's economic and political union. Praise for the first edition

Saving Europe - brookings.edu

The European parliament has voted to scrap the twice-a-year custom of changing the clocks by an hour in spring and autumn by 2021, leaving only national governments to now give their assent.

European parliament votes to scrap daylight saving time ...

European parliamentarians are elected from national lists, according to each country's election laws, and national political parties have kept an iron grip on the electoral process. Thus, EP elections have more resembled twenty-eight national elections than transnational contests.

2019 European Parliament Elections Will Change the EU's ...

However, the period in which I felt the least European was when I was in the European Parliament. It was a great globalist thingamajig with no European spirit. At the National Assembly, the FN was at least part of the political game. In the European Parliament, we were 13 with the Vlaams Blok (VB, Flemish nationalists), but we counted for nothing.
