The Culture of the United States Marine Corps is widely varied, but unique amongst the branches of the United States armed forces. Because its members are drawn from across the United States (and resident aliens from other nations), it is as varied as each individual Marine, but tied together with core values and traditions passed from generation to generation of Marines.

Culture of the United States Marine Corps - Wikipedia

Major Richard 'Dick' Winters of 'Band of Brothers' fame speaks candidly about the men and actions of Easy Company and reflects on D-Day and the lessons he learned about leadership.

Dick Winters: Reflections From Major Winters Of Easy Company

There are more than 45,000 military and veteran non-profits in the United States. It's hard to know which ones are legitimate, and worth giving your time and hard-earned money. You need to know whether your donations are funding services for those in need, especially with so many recently exposed scams.
