### **Serving Without Sinking**

Serving without Sinking is a remarkable book by church-planter and first-time author John Hindley. With a disarming personal honesty and devastating aplomb, he diagnoses the rotten motivations that so commonly fuel Christian life and service, and shows how Christians can serve Christ with joy instead of resentment, reluctance or burn-out.

### **Serving Without Sinking by John Hindley - Goodreads**

As I was reading Serving Without Sinking I found myself in conversations with some of the very people it addresses—people who serve their church and who love to serve, but who are also growing weary. It was a joy to recommend the book to them and I anticipate that it will be a great blessing to them.
