Wartime sexual violence is rape or other forms of sexual violence committed by combatants during armed conflict or war or military occupation often as spoils of war; but sometimes, particularly in ethnic conflict, the phenomenon has broader sociological motives. Wartime sexual violence may also include gang rape and rape with objects.

Wartime sexual violence - Wikipedia

On August 31, 1969, a rape was committed in Vietnam. Maybe numerous rapes were committed there that day, but this was a rare one involving American GIs that actually made its way into the military justice system. And that wasn't the only thing that set it apart. War is obscene. I mean that in every sense of the word.

The Vietnam War was fought using an attrition strategy. This wasn't a war like World War I, where you had two armies facing off across a well defined battlefield. It's a guerrilla struggle, where the Vietnamese revolutionaries are radically outgunned. So they're not going to stand toe to toe with the Americans.
