The Mind is more than just a game. It's an experiment, a journey, a team experience in which you can't exchange information, yet will become one to defeat all the levels of the game. In more detail, the deck contains cards numbered 1-100, and during the game you try to complete 12, 10, or 8 levels of play with 2, 3, or 4 players. In a level, each player receives a hand of cards equal to the ...

I developed the BITE model to help people determine whether or not a group is practicing destructive mind control. The BITE model helps people understand how cults suppress individual member's uniqueness and creativity. BITE stands for the cult's control of an individual's Behavior, Intellect, Thoughts, and Emotions.
