

The Basics Of It Audit

The Basics Of It Audit

IS Audit Basics Columns. Since 2002, ISACA has made the material that has been published as the IT Audit Basics column in the ISACA Journal available to professionals, educators, and the general public in an effort to share important information and advance the profession.. The columns are organized by subject area index using the job practice domains of the CISA Credential.

The National Council of Nonprofits has created this Nonprofit Audit Guide to provide charitable nonprofits with the tools they need to make informed decisions about independent audits. Because state laws vary in the scope of their regulation of charitable nonprofits, this Guide includes a 50-state chart that shows whether there is an audit requirement in each state, and if so,
