Who's That Girl is a 1987 American screwball comedy film directed by James Foley and written by Andrew Smith and Ken Finkleman. It stars Madonna and Griffin Dunne, and depicts the story of a street-smart girl who is falsely accused of murdering her boyfriend and is sent to jail. After getting released, she meets a man, who is supposed to make sure she gets on her bus back to Philadelphia, and ...

Getting Around. There are lots of ways to get around in New York. Those of us who live here take the subway every day, but that is not always accessible depending on your level of mobility, and it can be tricky if you live life in a larger body, so I included additional details just about riding the subway as a fat girl.
