### **The Dragon S Gift The**

"The Dragon's Gift is a path-breaking book, one that was urgently needed and one which deserves to be widely noticed and read. It not only provides an in-depth analysis of contemporary relations of China with Africa, located within their proper historical context, but meticulously presents, critiques and successfully challenges the array of myths, fears, and misinformation which abound in both press reports and some academic studies of China in Africa."

Dragon's Gift is set in a world of Dragons, Elves and Warlocks. In a world filled with so much magic, Dareena Sellis has lived a pretty mundane life, the daughter of a farmer who became orphaned at a young age she's spent most of her life working and living at an inn, for an old man who wishes to make her his bride.
