The six string quartets opus 20 by Joseph Haydn are among the works that earned Haydn the sobriquet "the father of the string quartet". The quartets are considered a milestone in the history of composition; in them, Haydn develops compositional techniques that were to define the medium for the next 200 years.

About the NCMC - NORTH CAROLINA MASTER CHORALE

Explore the profound human richness of sacred choral music from different times and places. The brilliance and virtuosity of Handel's music in Georgian England, the fervent, romanticized piety of the late 19th Century French composer César Franck, and the plain but unforgettably prayer-filled language of Duke Ellington from the turbulent American decade of the 1960's.
