The History Of American Firefighting

The Hall of Flame Fire Museum and the National Firefighting Hall of Heroes, located in Phoenix, Arizona, has almost an acre of fire history exhibits, with over 90 fully restored pieces of fire apparatus on display, dating from 1725 to 1969.

Hall of Flame Fire Museum;fire history;firefighting ...

The history of organized firefighting began in ancient Rome while under the rule of Augustus. Prior to that, there is evidence of fire-fighting machinery in use in Ancient Egypt, including a water pump invented by Ctesibius of Alexandria in the third century BC which was later improved upon in a design by Hero of Alexandria in the first century BC.

History of firefighting - Wikipedia

In the 20th century, the nature of an American firefighter's job began to change. Structural firefighting was still the main purpose of the department, but more specialized training and education, such as for high-rise structure fires, confined space environments and building construction education were included and emphasized.

Diagnosis. In practice a clinical diagnosis is most common. Arthrocentesis remains the gold standard for diagnosis, and while a crystal proven diagnosis is uncommon due to logistics, it should

be pursued if possible. MSU crystals are needle-shaped, and yellow if parallel, but blue if perpendicular to the light polarizer. MSU crystals can even be found in the joints between flares!
