The Wars We Inherit Military

This entry presents an empirical perspective on war and peace. We also published a data visualization history of human violence here on OurWorldInData.org which presents empirical data showing that we are now living in the most peaceful time in our species' existence.. Empirical View The past was not peaceful. It would be wrong to believe that the past was peaceful.

War and Peace - Our World in Data

The Wars of the Roses were a series of English civil wars for control of the throne of England fought between supporters of two rival branches of the royal House of Plantagenet: the House of Lancaster, associated with a red rose, and the House of York, whose symbol was a white rose. Eventually, the wars eliminated the male lines of both families. The conflict lasted through many sporadic ...

The Moral Equivalent of War William James 1910 Introduction. The war against war is going to be no holiday excursion or camping party. The military feelings are too deeply grounded to abdicate their place among our ideals until better substitutes are offered than the glory and shame that come to nations as well as to individuals from the ups and downs of politics and the vicissitudes of trade.
