History. The first cell phone novel was “published” in Japan in 2003 by a Tokyo man in his mid-thirties who calls himself Yoshi. His first cell phone novel was called Deep Love, the story of a teenager engaged in “subsidized dating” (enjō kosai) in Tokyo and contracting AIDS. It became so popular that it was published as an actual book, with 2.6 million copies sold in Japan, then spun off ...

Background. The purpose of this study is to use 3-dimensional printing (3DP) polyetheretherketone (PEEK) implants for skeletal reconstructions after wide excision of chest wall. 3DP PEEK implants were expected to provide a better physiological simulation than traditional ones because of a closer elastic modulus to cortical bone and similar biomechanical properties.

For most parents, children's play is just that — diversion or entertainment. Kids do seem to like it, after all, and their pleasure in devoting hours to play, make-believe, and following their imaginations is usually obvious. But to think that play matters only in so far as it brings pleasure is ...
