A Definition of Entrepreneurship. The concept of entrepreneurship has a wide range of meanings. On the one extreme an entrepreneur is a person of very high aptitude who pioneers change, possessing characteristics found in only a very small fraction of the population. On the other extreme of definitions, anyone who wants to work for himself or herself is considered to be an entrepreneur.

A Definition of Entrepreneurship and the Entrepreneur

The definition most often cited in the US is a succinct sentence hammered out by participants at the 1992 Aspen Media Literacy Leadership Institute: Media Literacy is the ability to access, analyze, evaluate and create media in a variety of forms. Definitions, however, evolve over time and a more robust definition is now needed to situate media literacy in the context of its

Euthanasia Definitions. Euthanasia: the intentional killing by act or omission of a dependent human being for his or her alleged benefit. (The key word here is "intentional". If death is not intended, it is not an act of euthanasia) Voluntary euthanasia: When the person who is killed has requested to be killed. Non-voluntary: When the person who is killed made no request and gave no consent.

Euthanasia Definitions

Psychoanalysis has spread everywhere not only because of the interest generated by psychoanalytic therapy. We could even say that the therapy was eclipsed by the virtues of applied psychoanalysis.

Psychoanalysis > Definition - Sigmund Freud

In this section we define the derivative, give various notations for the derivative and work a few problems illustrating how to use the definition of the derivative to actually compute the derivative of a function.

Calculus I - The Definition of the Derivative

Their, There, or They're? Their is a possessive pronoun. It always describes a noun. Note the spelling of their. It comes from the word they, so the e comes before the i.. There is an adverb meaning "that location." It is sometimes used with the verb to be as an idiom. It is spelled like here which means "this location.". They're is a contraction of they are. Note the spelling: The a from are ...
