Perhaps the scariest aspect of the prison is how easy it is to end up there for decades, even if it's not warranted. UK native Jonathan Wheeler was sentenced to Bang Kwang for smuggling heroin and was sentenced to 50 years. Meanwhile, a local who was arrested for shooting and butchering his wife was released after only 11 years.

Designed by John Haviland and opened on October 25, 1829, Eastern State is considered to be the world's first true penitentiary. Eastern State's revolutionary system of incarceration, dubbed the "Pennsylvania system" or separate system, encouraged separate confinement as a form of rehabilitation. The warden was legally required to visit every inmate every day, and the overseers were mandated to ...
